INSURANCE POLICY**

ClosingLock is a service for companies to use to securely share wire transfer instructions and other documents with their customers (residential or commercial buyers and lenders). ClosingLock is here to combat wire transfer fraud.

Why ClosingLock?

Protecting your funds from wire fraud.

-  Removes wire instructions from email which is the #1 conduit for wire fraud.
-  Simple and easy to use with no registration, password, or cumbersome encrypted email required.
-  Easily accessible from any device with seamless multi-factor authentication.
